Item No		Quantity	Rate	Amount
	<u>BILL NO. []</u>			
	<u>a.b.e SEALANTS AND WATERSTOPS</u>			
	NOTE: All products to be applied according to a.b.e. instructions - all relevant data sheets to be read for mixing instructions, pot life, overcoating times etc.			
	<u>GENERAL</u>			
	<u>STORM WATER CHANNELS</u>			
	<u>REINFORCED CONCRETE</u>			
	<u>20MPa/19mm concrete</u>			
	<u>"ABE DURASHEET" - joint former, "ABE DURACORD" - backing cord and "ABE DURAKOL GHM" - polysulphide sealant</u>			
1	"abe Durasheet" joint former in movement joints, rake out "abe Durasheet" from the joint and fill with "abe Durakol GHM" two-part grey polysulphide sealing compound with and including primer "abe Epidermix 326", etc. laid to V-shaped concrete channel	m		Not Priced
	<u>CONCRETE</u>			
	<u>WALKWAYS, APRONS, CHANNELS, ETC.</u>			
	Wet to Dry epoxy bonding			
	<u>"ABE EPIDERMIX 345" - structural wet to dry epoxy bonding of fresh concrete to existing concrete.</u>			
2	"abe Epidermix 345" - structural wet to dry epoxy bonding of fresh concrete to existing concrete, for larger concrete pours with an extended open time of up to 18 hours.	m2		Not Priced
	<u>"ABE EPIDERMIX 344" - structural wet to dry concrete adhesive.</u>			
3	"abe Epidermix 344" - a two component, solvent free, polysulphide modified epoxy adhesive, for smaller concrete pours with an open time of up to 4 hours.	m2		Not Priced
	Carried Forward		R	Not Priced
	Bill No. 2			
	Silicone, Sealants and Adhesives (abe)

	<u>"ABE DURAKOL GHM" - Two-part grey polysulphide sealant</u> "abe Durakol GHM" Two-part polysulphide sealing compound, raking out joint forming with and including 15mm diameter "abe Duracord" into the joint, primer, etc.			
10	6 x 6mm In expansion joints in floors or walls	m		Not Priced
11	10 x 10mm In expansion joints in floors or walls	m		Not Priced
12	12 x 12mm In expansion joints in floors or walls	m		Not Priced
13	20 x 12mm In expansion joints in floors or walls including removing expansion joint filler tear-off strip as necessary	m		Not Priced
14	20 x 15mm In expansion joints in floors or walls including	m		Not Priced
15	Filling between edges of windows and face brickwork	m		Not Priced
16	Filling between edges of windows and external plastered walls	m		Not Priced
17	Pointing joint between window sill and aluminium frame	m		Not Priced
	OR			
	<u>"ABE DOWSIL 813C" - one-part neutral curing, low modulus silicone building sealant - 100% Silicone with a 15 year crack, crumble and craze guarantee.</u> "abe Dowsil 813C" one-part neutral curing, low modulus silicone building sealant, raking out joint forming with and including 15mm diameter "abe Duracord" into the joint, etc.			
18	6 x 6mm In expansion joints in floors or walls	m		Not Priced
19	10 x 10mm In expansion joints in floors or walls	m		Not Priced
20	12 x 12mm In expansion joints in floors or walls including	m		Not Priced
	Carried Forward		R	Not Priced
	Bill No. 2 Silicone, Sealants and Adhesives (abe)			

	Brought Forward		R	Not Priced
21	20 x 12mm In expansion joints in floors or walls including removing expansion joint filler tear-off strip as necessary	m		Not Priced
22	20 x 15mm In expansion joints in floors or walls including	m		Not Priced
23	Filling between edges of windows and face brickwork	m		Not Priced
24	Filling between edges of windows and external plastered walls	m		Not Priced
25	Pointing joint between window sill and aluminium frame	m		Not Priced
26	Seal gap between edges of ceramic or stainless steel fittings and ceramic wall tiling.	m		Not Priced
27	Seal gap between edges of walling.	m		Not Priced
28	Seal gap between edges of ceramic floor tiling and walling.	m		Not Priced
	OR			
	<u>"ABE FLEXOTHANE 27" - One-part grey hybrid polyurethane sealant</u>			
	"abe flexothane 27" One part hybrid polyurethane sealant, raking out joint forming with and including 15mm diameter "abe Duracord" into the joint, etc.			
29	6 x 10mm In expansion joints in floors or walls	m		Not Priced
30	10 x 10mm In expansion joints in floors or walls	m		Not Priced
31	12 x 12mm In expansion joints in floors or walls including	m		Not Priced
32	20 x 12mm In expansion joints in floors or walls including removing expansion joint filler tear-off strip as necessary	m		Not Priced
33	20 x 15mm In expansion joints in floors or walls including	m		Not Priced
34	Filling between edges of windows and face brickwork	m		Not Priced
	Carried Forward		R	Not Priced
	Bill No. 2 Silicone, Sealants and Adhesives (abe)
